

Avoid the holiday queues at Gold Reef City Theme Park

With more than you can do in a day, queuing to get into Jozi's favourite holiday destination is a thing of the past this Festive Season with visitors now being able to buy Gold Reef City Theme Park tickets ahead of time at Computicket.

There's more good news: two of the most popular thrill rides in the Park, the *Jozi Express* and *Anaconda* have recently been improved with an extra train set each, which means they can now thrill more visitors with shorter queuing times. In addition, the Theme Park's opening hours have been extended during the school holidays and will now close at 18:00. This means more time to enjoy the variety of entertainment on offer!

To purchase tickets, visit www.computicket.com, call 083 915 8000 or visit a Computicket branch from 11 December 2010 to 9 January 2011. The tickets are valid for seven days from date of booking and are priced as follows: Adult: R150, Kids under 1.3m and pensioners: R100.
