

***Evolver One* crowns superb May music line-up at Gold Reef City Theme Park**

May, just like every other month of the year, is a month of music at the Gold Reef City Theme Park Town Square. A host of exciting live acts are scheduled to play at the venue every weekend this month, crowned by a performance by hot chart success, *Evolver One* on Saturday, 30 May.

Allan John - an alternative acoustic rock band that has completed its first album - brings its warm and funky sounds to the Town Square on 8 May. Mothers Day, Sunday 9 May, sees *Derek Sassen* play an eclectic selection of music that will blow the crowd away.

Tresspass ventures onto the stage on Saturday, 15 May. On 16 May, it's *ColorUp's* turn to impress with its acoustic, easy-listening sounds. The following weekend features the *Mark Beling Band* on 22 May, with *B.I.T.E* sinking its teeth into a repertoire of memorable pop and rocky classics from the past on Sunday, 23 May.

Axene - a hot young South African singing talent - takes the stage on 29 May. This promising young artist has already won acclaim for her debut album entitled '16' - so named because she recorded all thirteen tracks before her seventeenth birthday. This record has made her the youngest SAMA winner ever.

Evolver One ends the month on a high on 30 May. Ahead of its planned international campaign, *Evolver One* will hit the Town Square with its catchy stadium rock anthems. This band is currently storming the charts with *The World's Gone Crazy* from their self-titled debut album.

*The shows take place at 1pm and 2:30pm. Admission to performances at The Town Square is included in the entrance price, which includes all rides and shows but excludes 'Jozi Story of Gold'. As of 1 May 2010, the Theme Park will be open from Wednesdays to Sundays. For more information, contact Gold Reef City Theme Park on 011 248 5000, email info@goldreefcity.co.za.
