

### **Daredevils act - 'Globe of Death' at Gold Reef City Theme Park's *Xtreme Wheels Extravaganza***

For this festive season only, visitors to Gold Reef City Theme Park have an opportunity to see a mind-boggling 'Globe of Death' act presented by Infernal Varanne, a trio of Brazilian motorcycle daredevils.

This astonishing performance is just one of the acts on offer in the not-to-be-missed *Xtreme Wheels Extravaganza* at the Hippodrome, featuring insanely talented South African and international performers pulling off spectacular acts and gravity-defying stunts on BMX bicycles, skateboards and motorcycles.

In the 'Globe of Death' act, all three stunt men will race around inside a Globe of Death cage with a 4.5 metre circumference at extraordinarily high speeds. Also expect to be flabbergasted by eight-time South African national champion, Brian Capper, who will pull off some extreme tricks that are decidedly not safe to try at home, including 25 metre long front end wheelies, endless rear wheel wheelies, and jumps up 3 metre high vertical walls. Sean Mc Geer, one of only two motorbike trapeze acts in the world, will also feature with an incredible performance and assisted by the lovely Madre Smit.

Watch out for the brave and enthralling act of six-time South African Mountain Bike Trial Champ, Dylan Victor, who will be jumping his mountain bike up and over the roof of a 4x4, and using human obstacles in his segment of the show. David Jacobs, South Africa's Flatland BMX Champion, will be doing an amazing dance with his BMX.

The much-loved clown, Little Gerry, promises to relieve the tension of the adrenalin-pumping stunt acts with some laughter for the day.

This action-packed 45-minute show will run twice daily at 12:00 and again at 14:30 from Saturday, 12 December 2009 until Tuesday, 12 January 2010, except Christmas Day when the Theme Park is closed. Entrance to see this xtreme and xciting family show is included in the ticket price to the Theme Park.
