

Festive fun and cheer at Gold Reef City Theme Park

If Gauteng's greatest theme park rides, historical attractions and street entertainment weren't already enough of reason to visit Gold Reef City Theme Park this December, Jozi's number one destination for family fun is bringing Santa to town!

From 12 to 24 December, Santa will be at the Kiddies' Corner from 11:00 to 15:00 daily where he will be dishing out sweets to kids, posing for photos and taking note of their Christmas wish lists.

During this time, the Theme Park's own resident choir will delight visitors with their heavenly voices as they perform Christmas Carols daily at 09:15, 12:00 and 13:30. All the friendly staff members will be wearing their Christmas hats to celebrate the Christmas spirit.

Not only is the Theme Park the home of Jozi's most thrilling themed rides such the famous *Anaconda*, *Golden Loop* and *Tower Of Terror*, it is also the only place in Africa where one can enjoy 4D Theatre in all its glory.

Little ones will be enthralled by the rides in the Kiddies' Corner such as the new *Shongololo Kiddies Coaster* - the only kiddies' rollercoaster in Gauteng - as well as the chance to meet some cuddly animals in the Farmyard. Vibrant street entertainment and street parades, tribal dancing, traditional gumboot shows, a dazzling choice of shows and the Theme Park's colourful character mascots round out the entertainment.

Xtreme Wheels Extravaganza, meanwhile, will feature some of the bravest, some might say craziest, talented South African and international performers pulling off bold, breathtaking acts and gravity-defying stunts on BMX bicycles, skateboards and motorcycles. This 45-minute show will run twice daily at 12:00 and again at 14:30 from Saturday, 12 December 2009 until Tuesday, 12 January 2010, except Christmas Day when the Theme Park is closed. Entrance to this exhilarating show is included in the ticket price to the Theme Park.

Those looking for more sedate entertainment can enjoy 'Jozi's Story of Gold' - an educational yet highly entertaining tour that brings the Theme Park's historical attractions together in an interactive and informative package. You can catch great live music taking place at *The Town Square* - Jozi's newest live entertainment venue, with performances by *Heinz Winkler*, *Lonehill Estate* and *Parklane*, to name a few.

The Park will be open on Mondays for the holiday period. The long summer days provide the perfect opportunity to spend hours of fun enjoying the rides and other offerings in the park. The park has therefore extended their operating hours to 18:00 from 12 December to 12 January, but will be closed on Christmas Day.

Gold Reef City Theme Park offers the best value for money for a whole day of entertainment. There's plenty of fun for the whole family at the Theme Park this festive season.
